

WASIU AYOMIDE AGBOOLA

Olohunishola, Ipaja Ayobo, Lagos State | 070 4017 7403 / 081 0336 6801 | wasiuagboola1@gmail.com | LinkedIn

PROFILE

MBA-qualified finance professional with 3+ years of experience in financial operations, ledger reconciliation, and inflow analysis within the insurance sector, underpinned by graduate-level training in financial management and strong technical proficiency in Excel, Power Query, and Power BI. Skilled at extracting, cleaning, and modeling financial data to identify trends, support forecasting, and inform decision-making. Seeking a Financial Analyst role where I can apply strong quantitative, reconciliation, and reporting skills to support budgeting, financial planning, and business performance analysis.

EDUCATION

MBA, Financial Management — Ladoke Akintola University of Technology (LAUTECH), Ogbomosho, Oyo State 2026
B.Tech, Accounting (Second Class Honours, Upper Division) — Ladoke Akintola University of Technology (LAUTECH), Ogbomosho, Oyo State 2022

PROFESSIONAL EXPERIENCE

AXA Mansard Insurance PLC **Sept 2022 - Present**
Life Inflow Officer

- Analyze daily inflow data across 500+ transactions using Excel and pivot tables to identify trends, variances, and patterns that inform financial reporting and decision-making.
- Perform daily and month-end reconciliations across approximately 16 ledgers and bank accounts, ensuring financial data integrity and accurate reporting for management review.
- Extract, clean, and transform large financial datasets using Excel and Power Query to support accurate, timely reporting and analysis.
- Manage posting, callover, and reclassification of inter-company ledger transactions, ensuring compliance with internal financial controls.
- Monitor and analyze direct debit performance, including cancellations, to support cash inflow forecasting and payment efficiency.
- Partner with cross-functional teams to investigate and resolve reconciliation variances, improving the accuracy of financial records.
- Identify and implement process improvements and automation opportunities to increase the speed and accuracy of financial reporting.

Ladoke Akintola University of Technology — Internal Audit Department **Nov 2020 - Apr 2021**
Internal Audit Intern (6 months)

- Assisted in gathering and documenting audit evidence, contributing to the formulation of audit opinions.
- Participated in inventory inspections and stock-taking procedures, ensuring accurate asset verification.
- Organized audit working papers and performed vouching procedures in support of senior audit staff.
- Supported evaluation of best-practice techniques through fieldwork and detailed work-paper documentation.
